Solo Flight Ends In Crash

Rural Man Dies When Plane Crashes On Ranch

A solo flight ended in disaster Tuesday afternoon when a single-engine plane crashed at the Block House Ranch, two miles south of Crossroads, killing the pilot.

Pronounced dead at the scene by Cameron Justice of the Peace Jess Brock was Dave Carley, 42, who had just moved into the house on the ranch Oct. 14.

The crash occurred about 1 p.m. on the ranch, where there is no landing field. Carley had been taking flying lessons at Hearne and was reportedly on a solo flight when the crash occurred.

The plane, which belonged to the Hearne Airport, crashed about 200 yards from the house where Carley lived on the ranch. Officials do not know the cause of the accident.

Carley's body was taken to Heartsfield Funeral Home in Hearne and transferred to Houston where funeral is pending.

Carley was a draftsman for the Dow Chemical Co. in Hearne.

CAMERON'S PUMPER TEAM won third place in races at the State Fair in Dallas on Sunday, with 20 teams competing, and brought home another trophy. From left, sporting bright red jump suits,

are David Tucker, Leslie Bruedigan, Capt. Henry Horelica, Edward Dohnalik, Thomas Harwell, and Johnny Dohnalik.

Dog Days Numbered As City Moves Step Closer To Solution

Cameron's dog problem may have moved a step closer to solution Tuesday evening as city councilmen heard a report on what other cities are doing, and recommendations for action here.

Councilman Gene Lumpkin reported on contacts with Brenham, Richardson and Temple, noting that these cities are larger than Cameron and may not have the emotional involvement with the problem that this city

seems to have.

Lumpkin said in some cities live traps are used to catch dogs and they are impounded for 72 hours. The owner is not notified, and if the dog is picked up a fine is charged for a loose dog. Subsequent offenses draw larger fines, and tampering with the trap results in a \$200 fine.

Lumpkin said that in cities like Temple and Richardson, the dog problem is handled in a hard, cold-blooded operation. One city put the issue to a vote, with an overwhelming vote for dog control.

Action by the council included authorization to seek bids on a new truck for the water department with the old truck being fixed up with a cage, and the hiring of an animal control officer. The city will also check on the price of live traps.

In other business, council denied a permit for placing a mobile home at 205 E. 18th St., and agreed to work on a drainage problem near the city maintenance barn. Another drain problem on Golf Links and E. 18th St. was also discussed with the street department to handle.

Council heard Water Dept. Supt. Alvin Heft report that the Texas Water Quality Board is requesting an engineering study of handling waste from the water filter system before it is flushed into Little River.

Council tabled the second reading of an ordinance increasing telephone costs pending further negotiation with Bell Telephone Co.

A request to pro-rate taxes on Ben Franklin Store was granted. The store closed in April and wants to pay taxes for that period, not for the

whole year.

Request to pave N. Colfax Ave. was tabled along with a request to open 21st St. to Washington. Property lines will be determined before any action is taken.

Mayor Gene Blake recommended a sidewalk be built on the west side of tennis courts at City Park so school children can get through that end of the park.

Blake also told the council that TP&L Co. will reduce requested rate increase to the city to match agreements in other cities.

Thieves Rob Elderly Man At North Elm

An elderly man was robbed early Sunday at his North Elm community home and left tied up in 40-degree weather with all the doors open.

The victim was Cyril Plachy, 86, who was found bound and gagged by a member of his family Sunday morning. Plachy told the sheriff that he was not sure how many robbers there were, but there were at least two who broke into his home.

The robbers took three clocks, a radio, all his quilts and a small amount of money.

Entry was gained through the back door, and the robbers left Plachy tied up and gagged and lying on the floor. All doors were left open and Sunday morning was pretty cold.

Plachy was taken to St. Edward Hospital for observation but he was not harmed by the thieves.

Noon Lions To Hear Patman On Constitution

State Senator Bill Patman of Galveston will be the guest speaker at the Cameron Noon Lions Club meeting October 27 in Cameron.

Patman will visit with Lions Club members and guests about the proposed State Constitution and other matters affecting Texas voters.

Patman will also be holding public meetings in Cameron and Rockdale on Monday, October 27, and Tuesday October 28. The purpose of the meetings will be to discuss the proposed new constitution and the vote coming up on November 4 with anyone who cares to attend. All citizens of this area are cordially invited and urged to attend.

The Monday Cameron meeting will be held at 10:30 a.m. at the Conference Room of the Chamber of Commerce, 112 E. Second Street.

The Tuesday Rockdale meeting will be held at 10:30 a.m. at the Lucy Hill Patterson Memorial Library.

In speaking about the meetings, Senator Patman said, "All indications point to a very low voter turnout. In fact, many people feel that the city of Houston will cast about half of the total votes in this statewide election."

"I am deeply concerned that the people of our area express themselves. At the meetings I will be glad to answer all the questions I can, and I'll obtain answers later for those I can't. I will also have available information that is both 'pro' and 'con' as far as the new constitution is concerned."

"I personally plan to vote for all

SEN. BILL PATMAN

City Receives Sales Tax Rebate For October

AUSTIN

Comptroller Bob Bullock mailed checks totaling \$14.2 million Thursday to 824 Texas towns and cities for their monthly October city sales tax rebate.

Cameron's city sales tax rebate totaled \$2,292.92 for September sales. Other area cities included Rockdale with \$1,162.75; Rogers, none; Rosebud, \$721.27.

The October payments were smaller than the previous month's. Bullock said this is because the September checks included receipts carried over or coming in late from the last round of quarterly tax payments sent in by merchants.

During the first two months of each three-month cycle, he noted, payments are not made to cities whose allocation is less than \$500.

Bullock said the monthly rebate program has proven a boon to cities in its first several months of operation.

Absentee Voting Open 'Til 31st

Absentee voting for the November 4 election to adopt a new state constitution opened October 15, and will close October 31.

All voters who expect to be out of the county on the November 4 date are urged to cast absentee ballots in this most important election.

Ballots are available at the county clerk's office in the courthouse.

that a ball clearing any backstop disappeared. These courts were three or four stories above Las Vegas.

That's vague, isn't it? They were atop a wing of a hotel in Las Vegas. There were four courts with white lines and green playing surface, red off-court surface, just like the ones Cameron will soon have in Cameron Park.

The slots are about 20 feet from entrances and exits in air, train and bus terminals, hotels, motels, casinos to the fascination of almost everybody.

People play slot machines with nickels, dimes, quarters, half-dollars, silver dollars and \$1 bills. They seem to lose most of the time.

In comparing creations of "good guys" with not-so-good guys, Disneyland is second to Vegas.

The hotel and casino lighting systems out front soak up incredible amounts of the energy from Hoover Dam (if you're Republican) or Boulder Dam (if you're Democrat).

It is impossible to believe there was a recession, an energy shortage or any sanity left among the tens of thousands who pour about \$3 million a day into this desert escape.

Amarillo Slim wasn't there. He's been "busted" for some reason back in Texas. He is one of Texas' famous gamblers.

Hollywood was there, however. Martin, Lewis, Prowse, Campbell, Goldsboro, Olivia Newton John, McMahon, Carson. Some carry home, wherever that is, \$125,000 a week; a million dollars in 18 weeks is fair. Perhaps it is Frank Sinatra who commands a quarter million a week during two-week stands.

The shows are so "slick", they slide right through everybody's pockets.

It is truly unbelievable, this town in the Nevada desert booming in million-dollar expansions, taxis and rent-a-cars.

Trouble is, "I" wasn't there.

2-Car Collision Injures Woman

A two-car collision at 22nd and Travis Saturday afternoon resulted in minor injuries to one woman, who was treated and released at a local hospital.

She was Fannie Drgac of Caldwell, passenger in a car driven by Lottie Arnold of Bryan. Driver of the other car was Robert Threadgill of Calvert. He was not injured.

Abandoned Cars Threaten Loss Of HUD Funds

The city's code enforcement officer is again warning persons with junk motor vehicles on their property that a fine is possible if the vehicle is not put in operable condition or is turned over to a junk yard.

E. A. Bigbee, code officer, reports that Housing and Urban Development (HUD) makes periodic inspections of Cameron and has warned that future funds may be endangered by the city's failure to enforce its ordinances.

"Recent surveys indicate probably hundreds of violations of the junked motor vehicle law within the city limits of Cameron, which must be corrected," Bigbee said.

"It is strongly suggested that if you want to avoid paying a sizeable fine, then you should immediately take the necessary action to comply with the law, either by putting such vehicle in operable condition or dispose of it to an authorized wrecking yard," Bigbee added. "There is no room in Cameron for another 70-year accumulation of vehicles and/or other junk."

Bigbee reported that A. W. McCullin, executive director of the Cameron Community Development Agency, has informed him that the Dallas office of HUD has stated on numerous occasions that Cameron has not complied with their promise to enforce all ordinances and they may have to refuse any more funds.

CLOCKS TURN BACK FOR DAYLIGHT SAVINGS

Clocks in Central Texas, and throughout the country, will be set back one hour on Sunday, Oct. 26 as the United States reverts back to the pattern of six months of Standard Time and six months of Daylight Saving Time.

All special legislation that extended Daylight Saving Time in an effort to help cope with the energy crisis has now expired, and no action is expected on further changes, congressional sources have said.

The country experimented two years ago with year-around Daylight Saving Time, but Congress last year restored Standard Time for four months, responding to arguments that energy

savings were minimal and winter time daylight saving was hard on school children and others.

That legislation was not extended. The law now in effect calls for Standard Time in all areas from the last Sunday in October to the last Sunday in April.

Legislation has been introduced which would restrict Daylight Saving Time further, but the House Commerce Committee hasn't yet taken action on the proposal, and a spokesman said action is not likely.

So don't forget -- turn clocks back one hour Sunday night before you go to bed or you will be late for school and work Monday morning.

GNP Up, Doomsdayers Down...

Gross National Product, one measure of the country's economy, is up 11.2 percent for the best rebound since 1955.

A \$60 billion dip beginning in the fourth quarter of 1973 turned upward this spring and reached beyond \$800 billion at mid-year.

Highest rebound was in 1955 with 12.4 percent. That recovery followed by two years the close of the Korean War.

The current recovery follows about two years the close of the Vietnam War.

It would seem a cycle is repeating. It restores confidence we should never have lost. The balanced economy in Central Texas holds unemployment to a minimum, compared to 8 percent or higher figures in most metro areas.

Regardless, the recovery is underway. We might say the recovery is historic and

dramatic.

It sets the stage for a presidential election year of 1976, the nation's bicentennial. It is going to give President Ford some fodder for his election cannon. It is going to favor the incumbent who went into office as GNP was dipping below \$800 billion, heading for the minimum \$783 billion.

It suggests productivity is increasingly a consideration, as well as inflation. The unemployment figure is still well over 6 or 7 percent in much of the country. And these figures from the U. S. Commerce Dept. are seasonally adjusted.

It might also suggest the country is able to deal with its problems regardless of Vietnam, a President's resignation, a veto-oriented successor.

The doomsdayers have missed again.

Excelsior...

UofT Prof. Emeritus DeWitt Reddick recently spoke to the need in cities and towns for modern institutions while a lack of confidence in nations leadership splinters the nation:

"For democracy to continue to survive effectively in a city or town, at least three qualities are essential. These are the ability of most people in the community to work together for

the common good of all, the willingness of individuals to compromise, and the common recognition of high standards.

"There are three agencies that can bring about a groundswell to change the tide, and that as a beginning may resurrect a true community spirit in our towns and cities. They are education, the church, and mass media."

and fifth, advancing development efforts in coal mining and utilization research, and land reclamation technology

"Preliminary reviews of this bill indicate that labor, the coal industry, and the public utilities will support this bill. I urge each Member to give legislation study and support." (The 10 members of Congress who co-sponsored Rep. Wampler's bill are: Miller, Ohio; Duncan, Tenn.; Sebelius, Kan.; Johnson, Pa.; Beville, Ala.; Carter, Ky.; Hubbard, Ky.; Slack, W. Va.; Snyder, Ky.; and Michel, Ill.)

CRUMP'S GRASS ROOTS COMMENT

H. 9381 may not be perfect, but it will give some congressmen an opportunity to "get off their seat and on their feet."

We quote Frank G. Zarb, head of the Federal Energy Administration, "You won't have to worry about long lines at the gas station, in the event of another oil embargo, because there won't be enough gas to have a line."

The world's shortest river probably has the shortest name. It's the 440 foot D River in Oregon.

"Low Down" FROM THE CONGRESSIONAL RECORD

By JOE CRUMP

(A Column for Readers Who Haven't Time to Review the Congressional Record Daily)

ALARMED CONGRESSMEN SPONSOR NATIONAL COAL POLICY ACT

Rep. William C. Wampler (Va.)... I am introducing today, cosponsored by 10 other members of Congress from eight major coal-producing states, to establish a national coal policy, as a foundation for attaining self-sufficiency in energy resources and sustaining economic stability by providing incentives to double the current production and utilization of coal - from slightly over 600 million tons to annually over 1 billion tons annually by 1985.

"The bill (H.9281) includes substitution of coal for oil and natural gas where these fuels would otherwise be used, by electric power plants and major industrial installations as their primary boiler fuel and other major provisions affecting coal's use."

"My bill could result in a reduction of 3.8 million barrels

Dateline Austin

Briscoe Opposition Rocks Charter Hopefuls

Gov. Dolph Briscoe rocked proponents of a new state constitution by coming out firmly against all eight revision propositions on the November 4 ballot.

Briscoe's announced opposition may have applied the finishing blow to revision this year, many observers of the campaign feel.

Others insisted the Governor's resistance will not be crucial.

Briscoe centered his criticism on proposed annual sessions of the legislature.

He said he feels yearly meetings of lawmakers would be counterproductive, would sharply increase state spending and lead to a fulltime legislature.

The Governor also specifically criticized the judiciary article (merging of top courts), lifting of welfare spending ceilings, increasing bonding authority of the Permanent University Fund and continuing constitutional authority for a two cent property tax dedicated to state buildings.

He said the proposed new document would be subject to endless court tests and

interpretation, confusion and chaos in state government and reduced checks and balances on government.

Lt. Gov. Bill Hobby, Atty. Gen. John Hill, House Speaker Bill Clayton, Land Commissioner Bob Armstrong and other revision proponents disagreed entirely with the Governor.

Insurance Up

Auto insurance rates are going up again—away up—by a statewide average of 17 per cent.

The increase just ordered by the State Insurance Board effective January 1 is the largest in more than 15 years.

Texans will be paying \$112.8 million more in premiums next year.

At that, the hike is less than the insurance industry wanted. Industry spokesman asked a 24.9 per cent increase which would have meant \$165.4 million in additional premiums.

Total state premiums at the elevated rates will come to about \$663.6 million a year.

Actual increases vary according to age, residence,

make and model of cars, driving records and use of vehicles. They will range from \$8 to \$43 more annually for a typical auto owner. But a young, unmarried male driver in Houston may see an increase from \$581 to \$706 in his total premiums.

Full comprehensive will go up an overall average of 8.8 per cent, \$100 deductible collision 12 per cent, bodily injury liability 21.1 per cent, property damage liability 16 per cent and uninsured motorist coverage 32.4 per cent.

Utility Agency Moving

The new Public Utility Commission of Texas began gearing up for its regulatory duties with naming of top staff personnel.

Thomas G. Gebhard Jr., 38, Las Cruces, N.M., utilities director, will become Texas, first director of utilities. John F. Bell of Grand Prairie, 30, will be commission general counsel; Roy Henderson of Austin, 30, director of hearings; Marva A. Bennett of Austin, chief accountant; and Martha V. Terry of Austin, legal counselor.

OLD PHILOSOPHER

Dear editor:

By the time this appears in your paper New York City may have been saved or lost, or possibly neither, the latter being brought about possibly by the environmentalists, who are bound to get an injunction against it. Having heard leading officials say "Washington cannot afford to let New York go down the drain," you know the environmentalists aren't going to sit still and allow the whole city, un-treated, to flow into the Hudson River. It'd take years to get that stream cleared of all the raw editors, publishers, newscasters, financiers, and such like. And what the untreated politicians who got the city in its present plight would do to the fish is unthinkable.

But to get serious, I believe a compromise ought to be worked out between Washington and New York. Naturally Washington can't be bailing out every city that gets into trouble—airlines and railroads maybe and a foreign country here and there, but not every Tom,

Dick, and Harry of a city that runs out of money—but New York, being the biggest and all, is a special case.

Therefore, Washington ought to make a deal with New York: we'll bail you out this time if you'll bail us out next time. After all the Potomac needs protecting just as much as the Hudson.

Changing the subject, I notice that Dr. Kissinger has made part of a deal with Russia. He's gotten Russia to agree to buy some more of our grain, but he hasn't gotten her to agree to sell us some of her oil.

That's the trouble with sending a college professor to horsetrade.

Changing the subject one more time, a flippant neighbor of mine said it looks like President Ford would know better than to run a red light without his seat belt fastened.

Yours faithfully,
J. A.

Here's where to install grab bars in showers: 56 to 60 inches high or just above the soap dish.

Courts Speak

The Court of Criminal Appeals ordered new trials in three murder cases.

Errors by prosecutors were noted in San Marcos and Odessa cases where husbands shot their wives to death. A Harris County man won a reversal of a conviction for slaying his sister-in-law because the trial jury was not told specifically that evidence offered was circumstantial.

An improper search of a motor vehicle near New Braunfels brought a new trial for a man sentenced to seven years and \$5,000 fine for possession of 650 packages of marijuana.

The Court of Criminal Appeals allowed an El Paso County probation officer to appeal an embezzlement conviction, even though the normal deadline had passed.

AG Opinions

The Attorney General held terms of the final settlement agreement of a Killean former city employee's suit for reinstatement are public information and must be disclosed.

In other recent opinions, Hill concluded:

• A writ of habeas corpus is available to a proposed alcoholic patient held under a writ of protective custody.

• Where a political subdivision has never held a local option election, the area it encompasses is wet.

• Parks and Wildlife Commission may exercise regulatory authority in Aransas, Brazoria, Cameron, Calhoun, Jackson, Jefferson, Kenedy, Kleberg, Matagorda, Nueces, Orange and Refugio counties.

• The special fund into which boat certification fees are deposited is subject to constitutional limitations, but a provision of the general appropriations act allots money from the funds to make refunds authorized by general law.

Seek Free Mail

Secretary of State Mark White is pushing congressional legislation to provide free postal delivery of any voter information materials.

Louis Leman of Crosby and Houston is a Republican candidate for U.S. senator.

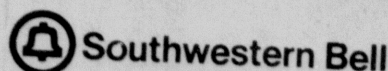

This weekend, call any other state* and talk five minutes for 86¢ or less... usually less!

*Except Alaska and Hawaii

Our weekend One-Plus rates are so low that you can talk awhile and still spend less than a dollar. For instance, a five-minute coast-to-coast Long Distance call dialed direct all Saturday and Sunday until 5 p.m. is only 86¢. An out-of-state call spanning fewer miles costs even less. If you can't wait till the weekend these same low rates are in effect every night from 11 p.m. to 8 a.m.

Where One-Plus dialing isn't available, One-Plus rates apply on station calls. If you dial direct and reach a wrong number, call the operator. You won't be charged.

Travel by Long Distance... and stay awhile.

For rates to Alaska and Hawaii, call the operator. One-Plus rates don't apply to person, coin, hotel-guest, credit card or collect calls or calls charged to another number.

Slide Show To Detail Constitution

A slide show detailing the proposed Constitution to be voted on next November 4 will be shown in several area towns by State Rep. Dan Kubiak, Kubiak's office announced Tuesday.

Kubiak said the slides will give area residents the

chance to see an objective explanation of the new Constitution before deciding whether to support or oppose it at the polls.

"I urge everyone in the district to turn out and see the film in order to be better informed about the new

Constitution," Kubiak said. "I will be at each presentation to answer questions and talk to constituents about the Constitution."

The slide show is scheduled to be in Rockdale on Oct. 28 and will be shown at 7:30 p.m. in the Fair

Park Home Demonstration Club's room, Kubiak said.

On Oct. 29 at 7 p.m., the show will be presented in the City Council Room of City Hall in Marlin.

On Oct. 30, the show will be presented twice, in Granger's High School Auditorium at 7 p.m. and in the Taylor National Guard Armory at 8 p.m. Kubiak said

he is also arranging the show for a Thorndale showing and would announce the time and place for that presentation within a few days.

Calling someone "bald as a coot" is to compare him to the bald coot of Europe, a water bird whose bill extends well up into its forehead.

CANDIED PECANS

1 cup sugar
1/2 cup water
1 tsp. vanilla

Mix sugar, water, vanilla and cinnamon in a 10-inch skillet. Boil for five minutes or until mixture strings from a spoon. Remove from heat and add pecan halves. Coat pecans and spread on waxed paper to cool.

1 tsp. cinnamon
1 lb. pecan halves

A boiled or baked medium-sized potato provides approximately the same amount of calories as a large apple.

County Agent's Notes

Kubiak Program Set For County Meeting

By Bill McCutchen

Rep. Dan Kubiak will speak on the pros and cons of the proposed State Constitution Tuesday night, October 28 at the Rockdale State Bank meeting room in Rockdale.

The meeting will be at 7:30 p.m. and will be in conjunction with the annual Milam County Program Building meeting.

The meeting will include some short committee reports, but the bulk of the program will be allotted to the program by Kubiak.

The meeting is open to the public and anyone interested

in hearing the discussion on the proposed constitution is encouraged to attend.

Coyote Control

Environmental Protection Agency Administrator Russell E. Train recently modified a previous ban on predator pesticides to allow the use of sodium cyanide in a spring-loaded tube called the M-44 to control coyotes and other wild animal attacks on livestock.

Following the program modification cyanide capsules and M-44 devices may be sold to State and Federal registrants. Use by private applicators will be allowed

but only after a period of training and will be subject to supervision by State and Federal registrants.

Data collected from program cooperators in Milam and other counties involved in a trail program has shown the material to be a rather selective device for the predators. Human injury risks are low with the device and effective antidotes exist. Other restrictions such as warning signs and other measures are used when the device is employed.

Milam Cooperators who have received the training and have used the devices may continue as before. There has been no notification as yet as to other training sessions where other producers may qualify for purchasing the materials.

Data received through experimental programs such as conducted in Milam County showed the material relatively safe, selective, and effective.

Reports from local cooperators varied considerably. Some reports excellent coyote control while others said the M-44 devices were ineffective.

To whip nonfat dry milk, beat equal amounts of the powder and ice water into stiff peaks.

RANCHER HEADS PUSH—Laverne Odell, right, of Dripping Springs, is heading a group of Texas farm and ranch land owners who have formed a committee to push for adoption of the Finance Article, Proposition 5, in the coming constitutional election. Shown with Odell is his son, Roy.

New Research Methods To Fight Downy Mildew

The long fight against downy mildew in grain sorghum, a disease which is costing Texas producers \$2.5 to \$3 million a year, will be simplified and intensified with the development of a new research method.

Cooperative efforts of the Texas Agricultural Experiment Station and the U.S. Department of Agriculture have worked out the system, described broadly as an inocula-

tion technique that will do a much better job in identifying downy mildew-resistant lines of sorghums.

The USDA's Dr. Jeweas Craig, project leader, says the technique is practical, simple, accurate, and easy to control.

What this means to the U.S. grain sorghum industry is improved sources of mildew-resistant material for commercial breeders who supply

farmers with planting seed. Grain sorghum is a major cash crop in Texas and other south and southwestern states, and rivals corn in commercial livestock feeding operations.

The new research tool, Craig says, also could have considerable impact in those foreign countries where sorghum is an important food for humans. Downy mildew can devastate the crops in some of these areas and bring on famine.

"Anything that can help control this disease is important from the economic standpoint in the United States and from the food standpoint in some other countries," Craig said.

The most sensible way to fight downy mildew (DM), he says, is to develop resistant sorghums. Traditionally, the usual routine is to expose the plants in field test plots and let them get the disease naturally. Then those that show resistance are separated for further breeding and testing.

But the problem with this system is that there are too many variables. Other diseases, insects, and fickle weather conditions interfere, and plant pathologists can't always be sure

A Picture Of Contrasts... Give A Little, Give A Lot... Keep In Touch... A Final Reminder.

Texas agriculture at this season of the year is a picture of contrasts. While harvesting of some crops continues at a rapid pace, planting of crops is active in other parts of the state.

All in all, it shows the bigness of this state's agricultural production capacity, and the variety of crops grown.

In northern sections of Texas, for example, wheat seeding is continuing. About two-thirds of that crop has been seeded thus far. Earlier stands have made good growth and grazing is available.

Meanwhile, in deep South Texas, citrus harvest is underway, and indications now point to one of the best quality grapefruit crops on record.

Harvesting of major crops continues as well. Sorghum harvest is nearing the finishing stages as is corn. Peanut harvesting is around the two-thirds completion mark, while cotton is about half through.

Although there were some disappointments, farmers generally were satisfied with sorghum yields. The corn per acre yield set a new high for Texas with an estimated 105 bushels.

ALTHOUGH THIS IS STILL OCTOBER, it's time to think about the giving of gifts this coming Holiday season. A sure-fire gift is food, produced here in Texas. So is fiber—cotton, wool or mohair.

A gift of food is always a welcome gift; nothing could be more practical. The same is true for wool, mohair or cotton garments.

Texas is the nation's leader in many categories of food production; it also is a leader in production of mohair, cotton and wool.

IF YOU DEPEND ON NATURAL GAS or propane in your agricultural operations, now is the time to check with your supplier to make sure supplies will be available.

Curtailments in natural gas supplies and availability of propane are among question marks for agricultural producers. The best solution to this problem now is to be sure to keep in touch with your supplier and let him know your requirements.

HERE IS ONE MORE REMINDER about the screwworm situation in the state. It continues to be important that livestock producers check their livestock regularly, delay surgery on livestock as long as possible, treat wounds on livestock with approved screwworm-control remedies, and submit samples of suspected screwworms to the livestock laboratory at Mission.

Authorities at the lab need to know the exact whereabouts of the pest so they can make plans for control the rest of this season and on into 1976.

You can get the vials needed to mail in the screwworm samples by contacting your county agent. Cooperation with the program will insure the success of eradication measures now being used throughout the state.

Sefcik Wins In Hay Show

For the second year in a row, Warren Sefcik of Georgetown has won top honors at the State Hay Show. His entry of Coastal bermudagrass which had a crude protein content of 18.7 percent and scored 98.5 out of a possible 100 points was selected the Grand Champion of the show.

The show was held October 14 on the Harold Green Farm east of Austin, the second year it has been at that site.

Some 67 entries of hay samples were submitted by farmers and ranchers throughout the state. According to show judges Dr. Neal Pratt and Al Novosad, forage specialists with the Texas Agricultural Extension Service, hay samples were of better quality and represented a wider area of the state than in past years.

A special feature of the show was an address by State Senator W. N. "Bill" Patman of Ganado. His remarks were directly mainly to the proposed Texas Constitution that comes before voters next month.

Annual Turkey Day

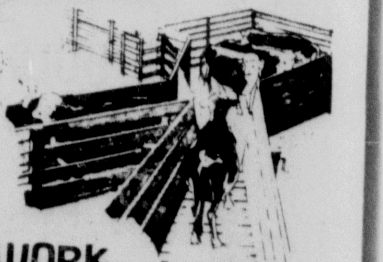

Set At Temple

Texas turkey producers will hear topics ranging from current research to management, educational, and promotional activities during the annual Texas Turkey Industry Day in Temple, Nov. 5.

Registration is slated for 7:30 a.m. in the lobby of the Holiday Inn, 802 North General Bruce Drive, announces Dr. William O. Cawley, program chairman and Texas Agricultural Extension Service poultry specialist.

Guest speakers from Maryland, New Jersey, and South Carolina will join specialists

SAFETY CORNER

WORK STOCK SAFELY

Well-planned holding pens, crowding pens, working chute and loading chute make cattle handling safe and easy. Handling setups should include sorting alley, squeeze, cutting gate, blocking gate, head gate and man escape provisions. Write to Extension Agricultural Engineer at your state university for information on plans for cattle handling equipment.

Baylor Sets Homecoming

WACO A crowd of about 16,000 exes is expected to return to the Baylor University campus Oct. 31 and Nov. 1 for "the most unique homecoming in the country," Raymond Vickrey, executive director of the Baylor Ex-Students Association, is predicting.

"The uniqueness of Baylor tends to make homecoming unique in many ways," Vickrey said. Nobody else in the country has the crowd of exes that we do, and they still come back regularly

with great enthusiasm." Members of the ex-students association and the Baylor Chamber of Commerce, which co-sponsor the weekend, are working night and day on final plans for the festivities.

This year's homecoming events, several of which originated during the first Baylor homecoming in 1909, will offer ex-students the opportunity to reunite with old friends and classmates and to see their alma mater as it is today.

Opening the special week-

end will be the first of three homecoming performances of Pigskin Revue, a variety show featuring winning acts from last spring's All-University Sing. Pigskin revue will be presented at 7 p.m. Oct. 30 and at 7 and 10 p.m. Oct. 31 in Waco Hall.

This year's homecoming reunion dinner will honor members of classes graduating in years ending in fives and zeros, beginning with the Class of 1925 and ending with the Class of 1970. The formal seated dinner will begin at 5:30 p.m. Oct. 31 in

various rooms throughout Baylor's Student Union Building.

Cabaret, a Broadway-type late evening entertainment show designed for Baylor ex-students, will be staged at 8 and 10:30 p.m. Oct. 31 in Baylor's Weston Theater. Performing at this year's Cabaret, which is being staged for the 15th year, is Norman (Moon) Mullins, Dallas humorist and Baylor graduate.

Singspiration, a religious sing-a-long conducted each year at homecoming, will begin at 7:30 p.m. Oct. 31 at Seventh and James Baptist Church near the Baylor campus.

A bonfire and pep rally

will begin about 9:45 that evening after the first performance for Pigskin Revue. Baylor yell leaders will direct the pep rally in the Union Bowl, adjacent to the Baylor Student Union Building, the bonfire will start immediately after the pep rally on Fountain Mall in front of Baylor's Moody Memorial Library.

Legend has it that a horseshoe nailed to a house door is a protection against witches.

FFA Raises Greenhands

The Yoe FFA chapter raised last year's Greenhands to the Chapter Farmer Degree Tuesday night at the regular meeting.

The Chapter Farmer Degree is the highest degree awarded on the local chapter level. Chapter Farmer pins were awarded by Jimmy Patzke, Yoe FFA president assisted by other officers: Brian Cobb, vice president; Raymond Tomak, secretary; Mark Fritz, treasurer; Gary Cobb, reporter; Mark Michalka, sen-

tinel; and Donny Marek, chairman.

Members receiving the Chapter Farmer Degree were: Margaret Graham, Stephen Lehnert, Erskine McDermott, Roger Morris, Douglas Price, Mike Pittman, Sidney Youngblood, Kirby Fleming, Mike Kirk, Eugene Mekush, Gery Mitchan, Eric Solomon, Richard Sproull, and Gerard Tomek.

Greenhand pins were awarded to 55 FFA members.

San Gabriel

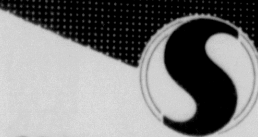

Those entertaining their relatives, Mr. and Mrs. John Sheets and son, Mrs. Bertha Howard, and a friend, Mrs. Alna Miller of North Carolina and Washington were Mr. and Mrs. Jim McDaniel, Mr. and Mrs. Richard Heine, Mr. and Mrs. Dick McDaniel of Salty.

Mr. and Mrs. Arthur Wuthrich of Austin left for home Thursday morning.

Weekend visitors of Mr. and Mrs. Dan Beason were her sister, Mrs. Edward Taney, and Mr. Taney of Chester.

Speedreading Offered

A course in speedreading will be offered in the Adult Education program at Yoe High this fall.

A demonstration explaining the course will be conducted Saturday, Oct. 25, at 2 p.m. The demonstration will be held in Room 6, C. H. Yoe High School, and will be open to all interested individuals.

Many of the past course participants have doubled and tripled their reading rate. The course will be taught by Darryl Proffitt, a graduate of the Evelyn Wood Reading Dynamics Program. The course was developed by E. W. Moore, former counselor for the Waxahachie High School.

Moore will be present for the demonstration. Registration and the first session will be October 27 at 7 p.m. at Yoe High School. Classes will meet each Monday for eight weeks. Registration fees \$26. More sessions will form if needed. Call 697-3902 for more information.

Announcing

If there are any club or organization meeting dates, programs, recitals or special events of interest to Herald readers, please call us at 697-6671 where we might print them in our calendar of events.

Vows Unite Couple

Miss Debra Kay (Debbie) Pavelka and Charles Raymond McNulty were wed Saturday afternoon, October 18 at the Marlin St. Joseph's Catholic Church.

The bride is the daughter of Veima Crawford and Edward J. Pavelka, both of Mart. The groom is the son of F. B. McNulty of Cameron.

Officiating at the ceremony was Rev. Frank Miller. Music was provided by Gwen Honeycutt of Mart.

For her wedding the bride wore a gown of maracaine jersey fashioned with a sculptured neckline, long slim sleeves, and a softly gathered skirt which formed a

chapel train. Beaded alecon lace trimmed the bodice and sleeves and a beaded coil held her fingertip veil. She carried white roses and blue daisies.

Maid of honor, Miss Debra Hoffpaur of Mart, wore a blue crepe dress designed with a round neckline and capelet sleeves trimmed with blue Chantilly lace. She carried blue daisies.

John McNulty of Cameron, brother of the groom, was best man.

A reception followed the ceremony in the fellowship hall of the church.

The couple will reside in Marlin. McNulty is a driver for Erskline Brothers.

MRS. CHARLES RAYMOND MCNULTY

Pork Is October's Best

Harvest time's bounty is a summons for feasting! Every autumn after gathering the crops, people, with pride in their achievement, have rejoiced with gusto and merry-making. This centuries-old celebration became "Octoberfest" to Germanic peoples.

Since pork becomes more plentiful in the fall, hams, suckling pigs and loins were chosen for the banquet table. Thus today, the occasion is known as "October Porkfest."

Alpine Smoked Pork Platter Place boneless smoked pork shoulder roll (approximately 2 1/2 pounds) in Dutch oven and add just enough water to cover meat. Cover tightly and simmer 1 hour and 30 minutes. Remove meat from pan and pour off all but 2 cups of the liquid. Add 4 medium-sized potatoes, pared and halved and 3 small onions,

quartered, to liquid in pan. Place meat on top of vegetables. Cover and continue cooking for 20 minutes. Add 1 can (27 ounces) sauerkraut, 1 teaspoon caraway seed and 1/4 teaspoon pepper and continue cooking 10 minutes or until meat and vegetables are done.

Girl Scout News

Mothers of girls registered in Girl Scout Troops 169 and 314 are asked to attend a meeting Thursday, Oct. 23 at 7 p.m. at the Cameron Public Library.

Two assistant leaders and other committee persons are needed in order to re-organize these girls. It is not necessary for the girls to attend this meeting.

CLUBS

RTA

A display of arts and crafts was featured at the October meeting of the Milam County Retired Teachers Association at the Business and Professional Women's Club House.

Mrs. Mabel Lawton, supervisor of the arts and crafts department of the Colonial Nursing Home was the guest speaker. She displayed a number of craft objects made by residents of the nursing home. These included toys, paintings, flower arrangements, and carvings.

The members of the Retired Teachers Association displayed their own crafts including quilts, pillows, needlepoint, oil paintings, toys, and flower arrangements. Margie Ireland's painting of an old fashioned classroom was a featured art object among the members' crafts.

The next scheduled meeting for the association is Nov. 5 at the B&PW club house.

Personal Mention

Mr. and Mrs. Joe Vaculin Jr. visited Mr. and Mrs. Joe Vaculin III in Marietta, Oklahoma, over the weekend.

Porcelain Art Guild

Cameron Porcelain Art Guild held its October monthly meeting in the Business and Professional Women's Club House.

Willie Falkner, club president, presided at the short business meeting. Sixteen members and five guests enjoyed a salad supper and demonstration by Mrs. Lois Garrett of Houston who demonstrated painting roses. Mrs. Garrett also held a two-day work shop.

B&PW

The Business and Professional Women's Club met earlier this month with Mrs. Willie Faulkner and Mrs. Fanny Mae Jackson as hostesses.

President Mrs. Ruby Mosley and Eunice Lawrence reported on the progress of District Six clubs after attending the district meeting in Austin. The Cameron club received a certificate and trophy for having a 100% renewal of membership.

Frances Hudson, vice-president, spoke on "Women Helping Women."

The club is celebrating Business and Professional Women's Week this week.

Comments From Chris

By Chris Holcombe
Milam County Extension Ag.

PROGRAM TRAINING. On October 23, 2 p.m. at the Milam County Extension Office in Cameron, Chris Holcombe will present a training session on a program entitled "Lable Logic." This program is open to anyone interested and any organization is open to send a representative to receive

this information. Milam County Home Demonstration Council Meeting. The Milam County Home Demonstration Council held their regular monthly meeting on October 13, 1975 2 p.m. at the New Salem Home Demonstration Club House. Chairman, Mrs. O. M. Brockman presided.

Club reports were given. Under new business the invitation for the county Christmas Party was extended by the New Salem Home Demonstration Club and the Milam County Pecan and Pecan Foods Show was discussed.

Following the council meeting, the THDA Committee met with Mrs. Preston Perry, chairman, presiding. Mrs. Perry and Mrs. Holliman reviewed the general report on the 49th annual state meeting in Abilene. Training was given on the Health committee recommendations. Mrs. Perry reviewed the health packet. Marie Whitley gave training on blood and blood diseases. Mrs. Perry explained the blood game and gave training on birth defects. Mrs. C. P. Beard, Sr. and Mrs. Whitley and Mrs. Perry did a skit on the health packet. The program was very well received and will in turn be presented to local clubs by their members.

Sharp-Tracy-Fr'ship

By Mrs. L. Guillote

Weekend guests of Mr. and Mrs. Nelson Davis were Mr. and Mrs. J. T. Kallus of Victoria. Sunday visitors were Mr. Charlie Hillard and Mr. Allen Hahn of Port Lavaca.

Mr. and Mrs. Buck Garner spent several days in Dayton with Mr. and Mrs. Pat Garner Sunday they were in Austin for the wedding of their granddaughter, Karen Fowler and Ricky Roller.

Thursday guests of Mr. and Mrs. Howard Coffman were Mr. and Mrs. Harley McDonald and James of Laneport.

Mrs. J. D. Pope spent several days in Austin with her son, John Dewey and her granddaughter, Melissa, while Betty was in Fort Worth attending a board meeting.

Saturday visitors of Mr. and Mrs. J. D. Pope were her cousin, Gussie McDonald of San Antonio and Mr. and Mrs. Jeff Tidwell of Granger.

Weekend guests of Mr. and Mrs. Robert Stevens were his parents, Mr. and Mrs. Frank Sesson of Eden, Texas and Mr. and Mrs. Randy Eden of Eagle Lake and Jessica. With the Edens were their nieces, Trisha and Shelly Eden also of Eagle Lake.

Laura Stevens was honored with a birthday part at her parents home in Sharp October 15. Helping Laura celebrate her birthday were Carolyn Stevens, Mrs. Lou Ann Ingram, Jonah and Holly Ingram, and Mrs. Leroy Guillote.

Miss Cathy Sowders of Rockdale spent Sunday night with Carolyn Stevens.

Recent guests of Mr. and Mrs. Howard Coffman were Mr. and Mrs. C. S. Annis and daughters, Debra, Jackie and Darla of Frisco and Mr. and Mrs. Jimmy Coffman of Austin.

Mrs. Leonard Lemmons was hostess for the Tracy-Duncan Home Demonstration Club meeting Wednesday. Mrs. Joe Brown gave a very interesting program on crafts. The next meet-

ing will be at Mrs. Buck Garner's home.

Mr. and Mrs. Richard Guillote of Fairfield visited with the Leroy Guillote's during the weekend. Richard and Jane and Mrs. Leroy Guillote spent Saturday night in Austin with Mr. and Mrs. Harry Guillote. Billy Ray Roesler of Somerville spent the weekend with his parents, Mr. and Mrs. Bill Roesler.

Cameron Nursing Home

By Dorothy Roschetzky

On October 7, church services were held by Mr. Nelson Green with Mrs. Louise Archer leading the singing. Mrs. Denton House played the piano. The residents enjoyed the service and singing.

Church services were held by Rev. Charles Lindley October 9. October 12 a devotional with Mr. Alton Robbins was enjoyed by the residents of the Home.

Nelson Green led church services Tuesday October 14. Mrs. Louise Archer sang a special. Mrs. Denton House served as pianist. Rev. Ernest Helsley and Mrs. Pam Browder, pianist presented church services Thursday October 16.

Present at the recent Arts and Crafts Show in Cameron were Mrs. Emma Smetano and Mrs. Josie Weide. The show was enjoyed and it also gave the residents a chance to exhibit some of their works.

TURTLE LOVES

Something more unusual than a bridal suite, two meals a day, cocktails and champagne is included in a honeymoon package at the Holiday Inn on Grand Cayman Island in the Caribbean: free passes to a nearby turtle farm!

Two Milam County 4-H members participated in the Heart O' Texas Fair, junior home economics division. Jocelyn Glaser, daughter of Mr. and Mrs. Stanley Glaser of Buckholts, participated in the clothing division and received a third place rating. She is a three-year member of the Buckholts 4-H Club.

Rebecca Riola of the Cameron 4-H Club, placed third with her entry in the bread division and fifth with her sausage cake in the cake division. She is the daughter of Mr. and Mrs. Charles Riola and has served as a leader for a bread project group this past year.

Protect your dog's paws when driveways and sidewalks are sprinkled with rock salt in sleety cold weather. Coat his paws with a thin coating of petroleum jelly before you take him out.

4-H News

By Chris Holcombe

Mary Lee Graham, daughter of Mr. and Mrs. Billy C. Graham of Thorndale, was honored as one of the top 4-H girls in the state at the Texas State Fair honor awards banquet on October 3, in Dallas.

Mary Lee is chairman of the District 10 4-H Council and a member of the State 4-H Council. She is a six-year member of the Thorndale 4-H Club and this year was named to state winner in the Santa Fe Achievement Awards Program. She will participate in the National 4-H Congress in Chicago, Nov. 30-Dec. 4.

Along with attending the banquet, Mary Lee worked in the 4-H booth at the State Fair on October 4. She also participated in the Texas 4-H Council meetings during the weekend. This group plans and coordinates statewide 4-H events. On Saturday night the group attended the Dallas State Fair musical and on Sunday morning attended services at the First Baptist Church in Dallas. She was accompanied on this trip by her parents and by her county extension agent, Chris Holcombe and her husband.

Two Milam County 4-H members participated in the Heart O' Texas Fair, junior home economics division. Jocelyn Glaser, daughter of Mr. and Mrs. Stanley Glaser of Buckholts, participated in the clothing division and received a third place rating. She is a three-year member of the Buckholts 4-H Club.

Rebecca Riola of the Cameron 4-H Club, placed third with her entry in the bread division and fifth with her sausage cake in the cake division. She is the daughter of Mr. and Mrs. Charles Riola and has served as a leader for a bread project group this past year.

Coffee Prices To Jump Sharply

By Mrs. Wanda Lee

It's going to cost more to wake up in the morning, at least if you depend on coffee as an eye-opener.

Coffee prices are expected to jump sharply in the coming months due to a July freeze in the top coffee producing states of Brazil, which annually produces about a third of the world coffee crop.

"The freeze is expected to cut in half next year's harvest of coffee beans in Brazil," points out Dr. Russell McDonald, economist in marketing with the Texas Agricultural Extension Service. "Furthermore, this year's world coffee crop is down about 8 percent from that of last year."

Buyers in the United States generally have small inventories and were anticipating a large coffee crop for the 1975-76 crop year, which would have meant lower prices. But, they must now build their stocks in the wake of the disastrous freeze losses in Brazil.

"Following the July freeze, the New York cash price for green coffee jumped about 20

cents per pound from the June average of 55 to 65 cents for Arabica coffees. Retail coffee prices may increase 25 to 75 cents per pound during the next three to nine months," speculates McDonald.

Despite the lowered forecast for the coming crop year, there will be enough coffee to go around, notes the Texas A&M University System economist. However, reserve stocks will be down sharply. U. S. Department of Agriculture officials estimate that Brazil now holds about 21 million bags of coffee in reserve. The country annually exports about 18 million bags and itself consumes another 8 million. So, carryover stocks going into the 1976-77 crop year are highly uncertain at this time, and will depend heavily on just how short next year's harvest is in Brazil.

"One thing for sure, though," says McDonald. "That cup of coffee is going to cost more."

IRS Notes Changes In Form W-2

Employers of domestics and other household employees should note recent changes in the handling of Forms W-2 (Wage and Tax Statements), according to Robert M. McKeever, Internal Revenue Service district director for southern Texas.

He said the IRS copy of W-2's will now be forwarded to the tax agency only with the Forms W-3 (Transmittal of Income and Tax Statements), or in the case of household employees, with the employers' Form 942 (Employer's Quarterly Tax Return for Household Employees).

New, also, is the requirement that W-2's will be filed with the Form 942 even in cases where the employee's wages are subject only to withholding for Social Security.

The director said that W-2 statements undeliverable to employees are no longer sent to IRS but are retained for four years by the employer.

Mrs. DeAnna Mae Deckard and Tommy Sam, Michelle and Claudia of Franklin spent last Sunday with their aunt, Mrs. Cloe Green and all visited with grandmother, Mrs. Lula Shaw.

Visitors last weekend with Mr. and Mrs. Harvey Roper were Rev. and Mrs. Wendell Dunn and family of Killean, Effie Bolin and Kay Roper of Dallas.

Mr. and Mrs. Roy Walston have returned to their home in Alpine after spending several days here visiting with relatives and friends.

Mr. and Mrs. Mike Lange and Paula of West Columbia spent last weekend here with Mr. and Mrs. Louie Lange. Mr. and Mrs. Clarence Eller and Mr. and Mrs. Jim Eller of Spearman arrived last Saturday and remained until the middle of the week visiting in the Lange home.

The main front street through town looks nice since the new highway is all finished. Now, it is our place as concerned, interested citizens to help keep the streets, buildings, vacant lots, etc. on the new street clean and free of all garbage, and trash.

Mr. and Mrs. E. W. Rutherford of Cleveland visited this past week with Mr. and Mrs. Roger Kingsley.

Remember Saturday night, October 25 is the date for our annual school Halloween program and carnival. The program presented by the school students will begin at 7:30 p.m. After which there will be the carnival of games, fish pond, arts and crafts and other activities.

Cotton Report

Trading for the week ending October 17 was moderate, even though prices offered lowered 200 to 300 points about mid-week, reports J. B. Russ, officer in charge, Austin Classing Office. According to the USDA's Agricultural Marketing Service, cotton in the Central Texas Blacklands moved in mixed lots of mostly grade 42, staples 31 and 32, mostly 31, mike 3.5-4.9 for a price of 42 cents. Along the Brazos River Bottom some 1974 crop cotton sold in lots of mostly grade 41 with some 31, staples 34 and 35, mike 3.5-4.9 sold for 47 cents. No new crop cotton there is moving. Cottonseed prices range from \$75 in the Upper Coastal Bend to \$105 along the Brazos River bottom.

Baptists To Meet For Convention

DALLAS — Texas Baptists will take a peek into the past and a look into the future when they meet here next week. "We will be dealing with a bicentennial theme," says Dr. Ralph Smith, pastor of Hyde Park Baptist Church of Austin and president of the 2.2 million member denomination. "We will be emphasizing how Texas Baptists have been blessed by God," Smith said, noting the convention also will adopt the largest budget in its history and take bold steps into the future. The \$23 million Cooperative Program Budget is the largest ever adopted by a state convention. Smith has been president of the convention during the years of phenomenal financial growth. He is due to step down and messengers will elect a new president. Last year, in his presidential address, Smith challenged Texas Baptists to win 100,000 new converts in 1975. How successful the 4,200 churches of the state have been will not be known until the annual church let-

ters are tabulated later. Messengers likely will again be faced by a controversy over the charismatic movement, which drew attention last year in the annual meeting in Amarillo. Smith said he believes the movement is dying down, but added there may be a challenge to seating messengers from churches which practice charismatic ministries. "I would not be surprised if such a challenge comes. I hope it won't though." The likelihood of a fight was virtually assured when the Dallas Baptist Association ousted two of its member churches because they have charismatic ministries. The two churches are Beverly Hills Baptist Church of Dallas and Shady Grove Baptist Church of Grand Prairie. They are the only known churches to have been kicked out of a local organization because of doctrinal practices relating to the charismatic movement, which emphasizes speaking in tongues and faith healing. The convention will be held in the Dallas Convention Center Oct. 28 through 30. It will begin at 2:30 p.m. Tuesday and end about noon Thursday. Preceding the annual meeting of the BGCT will be the meetings of its two auxiliaries: Texas Baptist Men and Woman's Missionary Union.

Local Pastor To Serve In Missions

A Cameron pastor and his wife, Michael and Dalia Gonzalez of Primera Iglesia Bautista, have been appointed missionary associates by the Southern Baptist Home Mission Board. A native of Baytown, Gonzalez has served the church since 1974. He is a graduate of Howard Payne College, Brownwood, and has a master of divinity degree from Southwestern Baptist Theological Seminary, Fort Worth. Mrs. Gonzalez, a bilingual teacher in the Fort Worth public schools, is a graduate of Texas Women's University.

Services Set For Two Churches

Special Reformation Day services will be conducted at the Tracy and Cameron United Methodist Churches this Sunday. The scripture lesson will be read from Romans 3:19-28. A fellowship covered dish meal will be served in the Fellowship Hall following the morning worship service. A time of informal singing will be held after the meal. Everyone is urged to bring a covered dish. Drinks and bread will be provided by the church.

The annual charge conference was held this last Sunday evening for the Cameron, Maysfield, and Tracy churches. Officers for the new year were elected and budgets adopted for 1976. The Morning Circle of the United Methodist Women will meet at the home of Mrs. James Camp on Tuesday morning, October 28 at 9:30 a.m. The pastor, Rev. Stanley Vodicka Jr., will preside at the worship services that begin at 8:45 a.m. at Tracy and at 10:55 a.m. in Cameron.

Court Renews View For Room

If a dining room or living room has an ordinary or undesirable view, it's easy to create a new one, with a garden atmosphere. First enclose a courtyard around the window with a screen of western wood 2x2s set vertically on 2x4 stringers and 4x4 posts. Low-maintenance evergreen plantings will add color and textures. A birdbath and feeders will provide daytime interest.

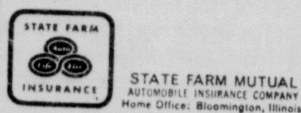

State Farm person to person health insurance

It can help pay soaring hospital and surgical bills.

A State Farm Hospital/Surgical policy can help pay for your hospital room, medicine and medical services received in the hospital, and any required surgery. Let me show you how.

The Face of Faith

Sometimes a face is striking. It isn't the sort of face you're accustomed to. It's a face you wouldn't have expected to see. But you have seen it! That's why you call it striking.

The Face of Faith is like that... The eyes seem lifted toward the hills, to a source of strength. The lips are firm

with a courage that rests neither on process nor weapon. The countenance shines with a joyous light... a light that seems to reflect some mystic Sun though the world around is cast in shadow and gloom.

I see the Face of Faith each Sunday... the face of a child... perhaps your child!

I am her Sunday School teacher — and the joyous light of that striking face inspires me to seek more faithfully in the worship and work of my Church the help of God.

You are her parents. How that confident, expectant radiance must inspire you!

O. J. Thomas Teams Defeat Caldwell

O. J. Thomas spirit went to an all time high after both the seventh and eighth grade teams scored wins over Caldwell Jr. High Hornets in Thursday night football action at Yoe Field. The seventh graders came out on top 28-12, followed by the eighth graders win, 12-6.

In the seventh grade game the Yoe Yoes propelled into pay dirt when Rusty Crummer dashed five yards for the touchdown. The Yoe Yoes drove the ball 60 yards on their first possession. James Mondrik ran the PAT for 2. Yoe Yoes led 8-0.

On Caldwell's second possession they were able to take the ball 40 yards and score. However, their PAT attempt failed. The half time score was 8-6, the edge going to the Yoe Yoes.

The teams traded kicks on the scoreboard with both teams scoring in the third quarter. James Mondrik scored on a 30 yard scramble and then kicked the PAT for one, 12-8.

Caldwell came back and scored on the field length touchdown pass in the third stanza.

The Yoe Yoes, taking the game under control, added another 6 when Rusty Crummer fled into the end zone on a kick off return for the final score. The seventh graders took their second district win and have increased their win ledger, 2-4 for the season.

How sweet the last second win is, and I do mean a last second win. As the buzzer was sounding Dow Dodd connected with Terry Lowe on a 2-yard pass play for the winning 6. The final TD was just about the extent of the offensive game of either team with both teams scoring one time each.

The first half was highlighted by defensive standouts

Chris Riola, Ronnie Filmore, James McLerran, Tim Michan, Dennis Mueck, and Bobby Glenn.

In the third quarter Dean Lewis broke for a 65 yard touchdown on a quick pitch. The PAT failed.

Late in the third quarter the Hornets were able to break by driving 45 yards and the Yoe Yoe defense held on the PAT.

Then in the fourth quarter the life saving oxygen was given by Dow Dodd on his

pass completion to Terry Lowe.

The seventh grade defensive standouts were Benny Canady, Cekil Jones, Rodney Fincher, and William Harwell.

One week ago the seventh graders tasted the sweetness of victory as they walked over Rosebud-Lott 12-0. James Mondrik did all the scoring for the Yoe Yoes. The first was on a 20-yard scamper followed by a 30-yard pass completion, both in the

Yoe JV Outscores Caldwell

It looked like a baseball score from the World Series but the 7 points were enough to claim a win over the Caldwell Junior varsity and clean sweep the Hornets with every Cameron team scoring a win.

The Hornets came close when they picked a Yoe fumble

to set them up for their only score.

In the first quarter Bobby Burton handled the pigskin and plunged in from one yard out to culminate the 66 yard drive. Gary Lewis tackled on the all important PAT for one. The Yoe JV took command, 7-0.

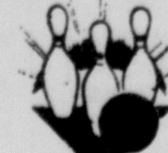

Eroll Spells ran wild in the series giving the Yoe JV the running advantage.

The Yoe JV fumbled twice and set the Hornets up deep in the Yoe territory. The TD came on a 3-yard run. On that series Richard Raymond had intercepted a pass but the interception was called back after an off-side penalty was stepped off against Cameron. John McIntyre gathered in 3 pass interceptions followed by Eroll Spells with one and Richard Raymond, also with one.

The 7-6 win over Caldwell increased the Yoe JV win-loss record to 3-2 for the season.

According to coach Paul Hoelscher, defensive standouts included Stanley Schlut, Mike Barr, Richard Raymond, and John McIntyre.

'Cats Undeclared In District,

Yoe Faces Young Wildcats

The unpredictable can happen and the Wildcats enjoy making it happen as they stand undefeated in district play. Their only blemish

comes on a 0-0 tie with Rosebud-Lott. The Elgin offense has scored 53 points while their defense has held their opponents to 54 points.

The Wildcats, although being a young team, can destroy the hopes of many veterans and experienced teams. Early in the season the Wildcats were picked 6th in the district returning 13 lettermen with 9 offensive and 5 defensive regulars back from '74.

The team enters this year with more depth and speed. It was a long season in '74 with the Wildcats turning in a 4-6 win-loss record.

The Wildcats have pride in their interior line with Waylon Cambell and Joey Miller giving stability to the offensive attack.

Booby McClendon will be the field general, calling the offensive plays. McClendon is a 165 pound sophomore who has recently taken over the first string position.

The offensive line will average

189 pounds per man being one of the heaviest the Yoemen have faced this season and the heaviest in district.

The Wildcats enjoy running the option and has the ability to pass the ball when the situation occurs.

The Wildcat defense runs the familiar 5-2 with a rover.

They are not a stunting defense by instead uses its 194 pounds per lineman to overpower their offensive opponent.

The Wildcats will be looking for another upset victory, something they enjoy doing along with having success doing it.

SUNSHINE LEAGUE

Team standings: Mc-Lane's 16, 4; Epley's 13 1/2, 6 1/2; Johnson Cleaners 11, 9; Cam. Mtrs. 9 1/2, 10 1/2; Hefley Ins. 9, 11; Irene's Emb. 7 1/2, 12 1/2; Morton's 6 1/2, 13 1/2.

Individual high game and high series: Hefley Ins. Gloria Neeley 483, 191; Morton's Milady Hollas 454, 183; Cam. Mtrs. Viva McGregor 493, Becky Brashear 212; Irene's Pat Short 484, Judy Mees 192; McLane's Irene Kostroun 169; Citizen's Lou McCall 485, 189; Epley's Lucille Huntsman 439, Merri Huntsman 173; Johnson Cleaners Verne Goode 477, 199.

SPORT SPOTLIGHT

By FORREST GUESS

Welcome...

The tentative rosters have been released for the '76 football season. An ole 3-A partner will be joining the Yoemen in AA--Rockdale will no longer be a pre-season game but will become a district contender in the 2A ranks. Welcome down.

Welcome up, Pflugerville. You have a nice new stadium and next year you will be in a nice new league. I don't know how nice the entrance fees will be, the cost might be something like a quick lesson in self-defense.

Hats off to both teams, you're both undefeated in district. Rockdale has amassed a 6-1-0 season record with the only loss coming from, who else, by the Cameron Yoemen. Pflugerville, who wasn't supposed to be tough, did the unexpected gathering a 4-2-0 season record.

Rockdale has going wild on offense, scoring 282 points to their opponents 44. That averages just 40 points a game.

Pflugerville has 91 offensive points to their opponents 86.

The entire 23AA schedule: Cameron, Caldwell, Elgin, Hearne, Manor, Pflugerville, Rockdale, and Rosebud-Lott. According to Athletic Director Ed Cauley the tentative schedule for the Yoemen's pre-season will be Taylor, LaGrange, and Belton.

Defense or Fence...

What we have enjoyed calling the Yoe Fence has again topped the charts for the strongest defense for AA in the state.

The Yoe Fence has held their opponents to 4.2 points a game and an average of 1 point per game in district. The only score against the Yoemen was a field goal by the Austin Westlake Chaps.

Great job, Coach Graham, and your defensive team.

Cauley Said...

"I think we had our finest offensive and defensive ball game against Caldwell last Friday night. I hope it's one of many to come."

"My coaching staff did the finest job of getting the kids prepared. The staff started Saturday prior to the game and they really had them ready for Friday night."

"Jafus White had an exceptional night along with the entire offense. It was truly a star-studded night for all the young men."

"One comment I really feel good about is Tony Garbo and Carl Esparza. I was impressed with both of the young men, they shook hands with me and said they were behind us all the way. I was impressed with their attitude, especially coming off a heart breaking defeat these two really showed what football is all about. It was a moment that should never go unnoticed."

"Winning is wonderful. We have faced five undefeated teams this year. Elgin is undefeated, they have one tie."

"Elgin is a young team with 6 seniors on offense and 4 on defense. They have scored 28 points against Hearne and they whipped Manor. They have the size."

"I hope our experience and quickness will help offset this factor. We realize that we must be at our best very Friday night and we must prepare hard during the week for every game."

"I must say that I am real proud of the Yoemen. We must not stop showing improvement and I hope we will show improvement against Elgin."

We Remember...

Be ready Yoemen. Remember what the Elgin Wildcats did to Caldwell when our hopes were looking bad?

On that Friday night in '74 Caldwell had one step to go before the bi-district play offs. It was against Elgin. A team that we had defeated 55-6 squeezed past a team that was all ready for the state playoffs.

Have mercy Yoemen--but be prepared.

Thrall @ Bartlett
Jonesboro @ Milano
Buckholts Open

The Yoe High girl's volleyball teams netted wins over Leander last week in volleyball action at Yoe Gym. The junior varsity girls downed Leander 15-10, 7-15, and 15-5. The varsity took the game 15-0, 6-15, and 15-4. Kim Fritz and Cathy Huffman had excellent overhead serves in the junior varsity game, scoring 7 and 8 respectively. The leading scorer was Delia Reyes with 10. The remainder of the scoring went: Janet Mondrik, 5; Laura Delony, 5; and Denise Drac, 2. In the varsity game Debra Fleming pushed across the spikes and was backed up by Evelyn Pittman who also turned in a tough offensive night. Debra scored 10 points while Evelyn scored 2. High scorer was Rebecca Riola toting the service line for 11 points followed by Fleming and Reyes with 6. The remainder of the scoring was: Alvita McIntyre, 5; Diana Chubb, 2; and Evelyn Pittman, 2.
